Sponsor is not responsible for lost, late, incomplete, illegible, misdirected or postage-due entries, or for technical failures that prevent an entry from being received.

5. Prizes and Odds

Sixteen (16) prizes will be awarded in total: two per entry period, eight of each type.

Prize	Per period	Total	Description	Approx. retail value (each)
Standard Processing Fee	1	8	Payment of TD's Processing's standard processing fee for one (1) deer	\$135
Euro Mount	1	8	One (1) European skull mount prepared by TD's Processing	\$100

Total approximate retail value of all prizes: \$1,880.

The standard processing fee covers TD's Processing's base processing only. It does not include specialty cuts, sausage, jerky, other add-ons, caping, transportation or any other services, which are the winner's responsibility.

Odds: The odds of winning depend on the number of eligible entries received in each entry period. A person may win no more than one (1) prize per entry period and no more than one prize during the entire Giveaway.

Prizes are not transferable and have no cash value. No substitution or cash equivalent is allowed, except that Sponsor may substitute a prize of equal or greater value if a prize becomes unavailable. Winners are responsible for any taxes on prizes.

6. Winner Selection and Notification

On each drawing date, Sponsor will randomly select two (2) potential winners from all eligible entries received during that entry period. The first entry drawn wins the Standard Processing Fee and the second wins the Euro Mount. Drawings will be held at Sponsor's office in Fort Worth, Texas. Sponsor's decisions are final.

Potential winners will be contacted by phone and email within two (2) business days of the drawing. A potential winner must respond within seven (7) days of the first contact attempt. Sponsor may require a potential winner to sign a declaration of eligibility and liability/publicity release.

If a potential winner cannot be reached, does not respond in time, is found ineligible, or does not comply with these rules, the prize is forfeited and Sponsor may draw an alternate winner from the same period's entries.

7. Prize Redemption

Prizes are redeemed only at TD's Processing in Strawn, Texas, under these conditions:

- The deer must be legally harvested during the 2026–2027 Texas hunting season under a valid Texas hunting license, properly tagged and documented as required by Texas Parks and Wildlife Department rules.
- The winner is responsible for delivering the deer to TD's Processing during its regular business hours and in a condition acceptable to TD's Processing.
- Prizes must be redeemed by 1-20-2027. Prizes not redeemed by that date are forfeited.
- TD's Processing's normal policies, turnaround times and pickup requirements apply.
- Winning a prize does not guarantee a successful hunt. No prize or value is given if the winner does not harvest a deer.

Sponsor and TD's Processing are not responsible for the condition of any animal delivered for processing.
